Mr. W. A. Leuschner,
Nat. C. Strong, Inc.,
New York City.

Dear Leuschner:

Abe just read your letter of April 24th and told me to write you right away and tell you that it will be impossible for the Eagles play May 10th after riding all night from Richmond and due to the fact that they have been away so long, most of the men do not even have any rooms. I will be glad to go there any other Saturday, if you want to send me.

Hope this does not cause you any inconvenience.

Very truly yours,

EM:CCJ

P. S. Received the mats of the Cubans, thank you.
